### **2010 NH FARM & FOREST EXPOSITION CALL FOR EXHIBITORS, SPONSORS & EDUCATIONAL PRESENTERS**

CONCORD, NH — Agricultural and forestry exhibitors, sponsors and educational presenters are needed for the 2010 New Hampshire Farm & Forest Expo, scheduled for February 5 and 6, 2010 at the Radisson/Center of New Hampshire in Manchester.

The non-profit New Hampshire Farm & Forest Exposition has been a winter standard since 1984. Now in their 27<sup>th</sup> year, the New Hampshire Farm & Forest Exposition provides information and education on all aspects of agriculture and forestry. Each year, the Expo brings the state's farming and forestry communities together to share ideas and views on industry needs, while providing a fun and interesting venue for the public to learn about these industries and their impact on life in New Hampshire.

The Exposition includes workshops and speaker programs, a large trade show featuring products, equipment and food, most of which is produced in New Hampshire and New England, demonstrations and student competitions, a children's program with hands-on activities, a farm animal exhibit, an auction and an annual industry awards reception.

The New Hampshire Farm & Forest Exposition is presented by the University of New Hampshire Cooperative Extension, the NH Division of Forests & Lands and the NH Department of Agriculture, Markets & Food.

For further information on exhibiting, sponsoring or presenting an educational program, please visit the Expo website at [www.nhfarmandforestexpo.org](http://www.nhfarmandforestexpo.org) or call (603)271-3788.
