## SPECIAL EVENTS FOR CHILDREN AT 2009 NH FARM & FOREST EXPOSITION

CONCORD, NH — Two special events for children are scheduled for Saturday, February 7, 2009 at the 2009 New Hampshire Farm & Forest Expo at the Radisson/Center of New Hampshire in Manchester, NH.

Kid's Day, presented in partnership with 4-H, teaches children about the forest, environment, sciences and all types of animals. There will be hands-on activities and entertainment provided by the King Sisters and other talented youth from NH.

The Equine Challenge invites all youth, 4-H and Pony club members ages 9 to 11 to participate in a friendly novice-level quiz bowl event, designed to showcase their knowledge of horses. Participants do not have to be 4-H or Pony club members. Pre-registration is required on or before February 1, 2009 by contacting Mary Davis at (603)742-3712.

Admission to the Expo is \$7 for adults, children 15 and under is free.

The New Hampshire Farm & Forest Exposition provides information and education on all aspects of agriculture and forestry. Each year, the Expo brings the state's farming and forestry communities together to share ideas and views on industry needs, while providing a fun and interesting venue for the public to learn about these industries and their impact on life in New Hampshire.

The New Hampshire Farm & Forest Exposition is presented by the University of New Hampshire Cooperative Extension, the NH Division of Forests & Lands and the NH Department of Agriculture, Markets & Food.

For further information on exhibiting or presenting an educational program, please visit the Expo website at [www.nhfarmandforestexpo.org](http://www.nhfarmandforestexpo.org) or call (603)271-3788.
