2010 NH FARM & FOREST EXPOSITION OFFERS OVER 25 EDUCATIONAL SESSIONS FOR FARMERS & FORESTERS

CONCORD, NH — Over 25 educational sessions for the general public will be offered at the 27th Annual NH Farm & Forest Expo, to be held February 5 and 6, 2010 at the Radisson Hotel/Center of NH in Manchester, NH.

Sessions, led by a diverse group of presenters, include “Opportunities in Farm Energy”, “Introduction to Cowboy Mounted Shooting”, “The Secret of Growing Champion Giant Pumpkins”, “Growing & Caring for Lilacs”, and “Risk Management in Agritourism” and are open to the public. For a complete schedule of sessions, please visit nhfarmandforestexpo.org.

Admission for many of these educational sessions is free, while admission to the Expo Floor with commercial and educational exhibitors is \$7 for adults, while children 15 and under is free.

The New Hampshire Farm & Forest Exposition provides information and education on all aspects of agriculture and forestry. Each year, the Expo brings the state’s farming and forestry communities together to share ideas and views on industry needs, while providing a fun and interesting venue for the public to learn about these industries and their impact on life in New Hampshire.

The New Hampshire Farm & Forest Exposition is presented by the University of New Hampshire Cooperative Extension, the NH Division of Forests & Lands and the NH Department of Agriculture, Markets & Food.
